

OPEN TOWN HALL Q&A SESSION

COVID-19 VACCINE: FACTS VS FICTION FOR THE I/DD COMMUNITY

Event Date & Time:

January 27 | 5:00 - 6:30 PM | Zoom*

Panelists: Public Health Experts &
Community Members

People who live and work in group homes for people with **Intellectual & Developmental Disabilities (I/DD)** have been prioritized in the highest priority group to receive the vaccine.

Our expert panel will answer all your questions surrounding the vaccine and share facts behind the science of the life-saving medicine, specifically for the I/DD community.

Goals for the Town Hall:

- Increase vaccine awareness & education
- Debunk vaccine myths
- Create a safe space where the I/DD community can ask questions regarding the vaccine
